GOOD TO BE A MAJOR FILM

... If this is  
... then it's perfect.  
If not, arm yourself with a paper  
towel and be ready to wipe.

In the photo of the Raspberry &  
Vanilla Lollipops, the ice cream  
was poured directly into the  
glasses after being made, and  
it was left to freeze until solid.  
When the shot glasses came out  
at the house, they were frosty  
and it was difficult to see that  
they were a real beauty.

Vanilla Lollipops with Raspberries are all the rage  
and are a great addition to your next  
party. (Photo: [unreadable])

For the taste of Pineapple Sours,  
because the art director had shot  
a round or two of sours. Yet I still  
in the studio that day, so I decided  
to go. The towel underneath the  
table.
